## **Donkeys Through Time!**

Find out how donkeys have featured in the heritage of different countries and cultures through the centuries...

#### STUDENT INTRODUCTION

- Can you put together a donkey timeline based on the information given?
- Research and summarise what you learn about donkeys and their uses in the past up to the present day!

- Look at the information about donkeys on page 2.
- ➤ You are going to put this information and any other interesting facts you've learned from research into the blank timeline on page 3.
- You can do this in two ways:
  - 1. Cut out the boxes and paste them onto the page with arrows placing them correctly in time (if you are doing this your teacher may give you the timeline on larger A3 paper)
  - 2. Annotate the blank timeline with the information by summarising it yourself.
- Complete the tasks on page 4 and the optional extension task on page 5.

#### **Content for Timeline**

Cut out and stick these facts, stories or legends on the next page, or annotate your timeline by transferring the information
