

African Adventure Challenge!
Size is everything!
Let's practise those estimation skills...

Student Introduction

- ► The keepers at Robin Hill need to see how much their beasts have grown!
- ► Can you help figure out their size?

Teaching resources by Education Destination Ltd.

Curriculum relevant materials supporting school trips to the Isle of Wight Book today with Education Destination and get full access to **this** and **hundreds more** quality resources

www.edudest.uk Height Height Height Leg heigh Length Length to tip of tail

### Estimate in centimetres (to the nearest 10cm):

#### White Rhino

The length of the white rhino's horn \_\_\_\_\_ cm

#### African Elephant

The height and width of the elephant's ear

# Teaching resources by Education Destination Ltd.

Width Curriculum relevant materials supporting school trips to the Isle of Wight Book today with Education Destination and get full access to **this** and **hundreds more** quality resources

#### www.edudest.uk

The area of one elephant's ear \_\_\_\_\_square cm

The length of the elephant's tusk \_\_\_\_\_

Circumference of the elephant's leg \_\_\_\_cm

Which species of animal in the African Adventure do you think is the heaviest?

## Post-visit Data Table:

Species of Animal	Fastest Speed		Average Weight		Average Height	
	Metres per second (mps)	Rank	Kilograms (kg)	Rank	Metres	Rank
Zebra	100	100		6	8	55,196
White Rhino	600	SOL	egic	edic	edic	egic
African	L N	- \	- \		<b>X</b>	1

	Western Gorilla	desti	305	S	6	50	55,96

- » Now you have the data, put the animals in rank order by giving the highest amount rank 1, the second highest rank 2 and so on.
- » Choose one of the categories to record on a chart. For example: all the average heights.
- » What type of chart or graph would show the data best?
- » Will your chart be vertical or horizontal?

### Set of Animal Labels
