

INTRODUCTION

East Dene Centre - Activities

East Dene Centre is operated by Allnatt Outdoors and is the Isle of Wight's premier outdoor education centre.

Offering accommodation for up to 200 students, more in the summer thanks for on-site canvas bell tents, East Dene specialises in field work and outdoor adventurous activit in harmony with the seashore, coast and woodlands.

East Dene promotes communication, respect for each other, problem solving and increased self-esteem.

Education Destination clients may use East Dene facilities on a day basis if staying elsewhere, or we can build an accommodation plus activities package to suit your age group or learning objectives.

All activities are instructor led, and include favourites such as archery, bushcraft activities, team-building activities such as the blindfold trail and raft-buildings, plus traditional outdoor pursuits such as map reading and orienteering.

East Dene's unique location sandwiched between mature woodlands and a golden

“Excellent communications in the lead up to our day at East Dene - activities were suggested and then tailored to our needs. Risk assessments and necessary paperwork was provided, all very happy. Prompt communications. Lovely setting, very helpful and friendly staff,ease of organisation.”

sandy beach also means that they can offer activities such as bug hunts, tree climbing, kayaking, coasteering and the like.

The on-site heated outdoor pool offers opportunities for activities such as snorkelling, again led by expert instructors.

By night students can sit round the campfire in the woods and join in with traditional songs

whilst cooking, serving and eating their own meals over the fire that they previously lit without matches.

This is a very special place!
