## A Whole Day's Fun in One

Most schools spend the whole day at Blackgang Chine as there is so much to do, making it excellent value for money.

It is mostly an outdoor attraction though, so you should go prepared according to the local forecast on the day.

## Thrill Rides

As well as the more sedate activities, Blackgang is host to a number of thrill rides, most notably the Cliffhanger roller coaster - 400 feet above the beach below!

Waterforce is a high-speed water slide where you will almost certainly get a little wet!

Evolution is a drop ride guaranteed

to cause butterflies in everyone's stomachs, and the spinning Pirate Barrels ride is perfect for young buccaneers!

## Restricted Area 5

Come and meet some of the UK's biggest and most realistic animatronic dinosaurs.

## Family Favourites

Visit dozens of long-time family favourite attractions such as the huge maze, Rumpus Mansion, the Musical Pet Shop, Hall of Mirrors, Crooked House or the Mouth of Hell! Check out Cowboy Town, the massive Pirate Ships and Valley of the Dodos, to name just a few.
