### All-weather Karting

A 520m floodlit outdoor all-weather karting track offers unrivalled fun, excitement and safety for all ages 8+ in 4-stroke petrol karts.

### Kart Types

#### Adult (16+)

Full-speed 270cc karts capable of 45mph! Full wrap-around bodywork and splash protection. Safety cut-out device.

#### Junior (12-15)

Restricted version of the adult kart for younger drivers still finding their feet in non-competitive motorsport.

#### Cadet (8-11)

160cc karts specifically for youngsters looking for their first taste of karting ensuring they receive the all important fun experience. Wrap-around bumpers, seat belt and head rest. Safety cut-out.

### Clubhouse Facilities

In the clubhouse you'll find separate male and female changing facilities with toilets and showers.

A private party room is available to pre-book as well as pre-ordered food and drink.

La Babalu cafe also offers snacks, food and drinks with indoor and outdoor seating plus big screens to watch the action on the track.
