Splash Sessions

Taking place in the safe, sheltered waters of Sandown Bay, Wightwater Watersports offers surfing, paddleboarding and sea kayaking introductory lessons for water confident students aged 8+

Wightwater specialise in introducing school groups to the fun and excitement of watersports in a safe and friendly learning environment.

"Splash Sessions" are popular with KS2 age groups where water confidence may be a little lacking - with a mix of games and activities to encourage participation and to stretch the more capable and adventurous.

Experienced Coaches

Fully qualified staff are chosen not only for their skills and qualifications but also for their passion and desire to encourage each person to achieve.

Group Sizes

The maximum participant group size is 48 students, in order to maintain an acceptable supervision ratio.

Larger groups can be booked as consecutive sessions, with the waiting groups either looking on or making good use of the beach and local resort facilities such as crazy golf.

We can also arrange 'split days' for very large groups, with another off-site activity and a lunchtime switchover.
