Splashing Good Fun!

Their very own version of Total Wipeout...

Isle of Wight Aqua Park presents the Island's bounciest and wettest attraction with over 20 massive obstacles to tackle, plenty of free-fall slides and fun but challenging elements to explore.

Water Confidence

A great fun activity for water-confident children aged 7+.

Wetsuits and buoyancy aids are provided along with a safety briefing beforehand and plenty of experienced and qualified lifeguards on duty throughout the session.

Teachers are more than welcome to join in the fun to support less confident students.

For those inevitable few who really don't want to join in, there's always Tapnell Farm Park next door!

Private Hire

For groups of 30 or more we can arrange private use of the facility.

Waiver Required

Straightforward health and safety waivers are a requirement for this activity and will need to be collected from parents before the trip.
