Fulldome VR Planetarium

Situated within an old Victorian fort building on the west side of the Isle of Wight, Island Planetarium is run by astronomy enthusiasts.

A Choice of Shows

A number of different shows are available, and these vary throughout the day unless specifically prebooked.

These include:

- From Earth to the Universe, two small pieces of glass
- Tim Peake to the ISS
- A star is born
- In the sky tonight
- We are aliens
- More than meets the eye
- The Apollo triumph
- Back to the moon for good
- Living with a star
- Space cadets (ideal for 4-10 year olds)

- Explore the Solar System
- Sizing up space - it's unbelievable!

All shows must be pre-booked and discounts are available for two or more shows back-to-back.

On the same site you have Fort Victoria Country Park as well as the Isle of Wight Reptilium so you could easily extend this to a whole day's visit.
