### Gorgeous Soft Sandy Beach

Sandown Beach is one of the Isle of Wight’s finest and most recognised beaches, with miles of soft golden sands crowned by Sandown’s Victorian pleasure pier and topped off with spectacular chalk cliffs.

Popular with tourists and surfers, Sandown is a traditional “bucket and spade” holiday resort with all that you might expect from an English family beach.

The esplanade has traditional seaside cafes, ice cream kiosks, souvenir and beach shops, whilst the pier has amusements galore.

The beach is accessible at all states of the tide and for the less ambulant we can arrange the hire of a beach wheelchair.

During the summer months a lifeguard service is provided.
