

## Donkeys Cost Money!

### Can you work out how much?

#### STUDENT INTRODUCTION

- ▶ You have been asked to produce statistics to support an advertising campaign for the Isle of Wight Donkey Sanctuary.
- ▶ The Sanctuary is a charity, and one way of raising money is to get people to adopt a donkey.

You need to investigate the following:

## Teaching resources by Education Destination Ltd.

1. When on-site you will need to investigate all the costs involved in keeping a donkey.

Then work out how much it costs to keep a donkey at the Sanctuary for

[www.edudest.uk](http://www.edudest.uk)

a) one year

b) one month (12 months in a year)

c) one week (52 weeks in a year)

d) one day (7 days in a week)

Answer the following questions:

2. By adopting a donkey for £20 a year, what would your contribution pay for?
3. How many adoptions would be needed to cover the costs of one donkey?

### Extension Tasks:

1. The Isle of Wight Donkey Sanctuary has 90 donkeys. How many adoptions would they need to cover the costs of all the donkeys?

## Teaching resources by Education Destination Ltd.

2. Find curriculum relevant materials supporting school trips to the Isle of Wight

» What percentage of the costs is paid for by one adoption? [www.edudest.uk](http://www.edudest.uk)

» What percentage of the costs is paid for by one adoption?

### Presentation

1. Decide how you are going to present your findings in order to make the statistics clear to anyone considering adopting a donkey.
2. Present your findings using a suitable graph or chart/s.
