*The hedgehog shows his face and smiles  
At last it must be spring.*

*The sunshine and the flowers  
Bring out the Busy Bee  
I think he's making honey,  
Especially for my tea.*

*Autumn's here with berries ripe  
And leaves of gold and red  
I wonder where the dormouse is?  
He's snoring in his bed.*

*The snow is falling thick and fast,  
The icicles are freezing,  
So wrap up well in winter clothes  
Or soon you will be sneezing!*
